

NALAS General Assembly Meeting

Chisinau
12-14 April
2021

Dear Mayor,

Dear President of the City Assembly,

The Network of Associations of Local Authorities of South-East Europe (NALAS) and the Congress of Local Authorities from Moldova (CALM) have the pleasure to invite you to the session of the second **Forum of Women Mayors in South East Europe** to be held in the frame of the NALAS General Assembly on **14 April 2021**.

The Forum of Women Mayors in South East Europe will bring together local women elected officials from 12 economies of South East Europe with an aim to exchange on challenges and solutions for engendered local economic development. The panel peers' discussion will deliver good practices on successful local policies in inclusive local economic development.

The Forum is organised in the frame of NALAS project "Promoting e-learning and regional knowledge base development on Gender Responsive Budgeting", within the framework of the UN Women project "Promoting Gender Responsive Policies and Budgets: Towards Transparent, Inclusive and Accountable Governance in the Republic of North Macedonia", funded by the Swiss Agency for Development and Cooperation and the Swedish International Development Cooperation Agency – Sida.

Considering the ongoing pandemic related travel restrictions, the NALAS General Assembly will have a "hybrid" format with part of it being a live event in Chisinau, Moldova, combined with a series of online events and sessions connecting a wider audience of 500 Mayors and local government practitioners from South East Europe.

The Forum will take place on **14 April 2021, from 11:50 AM until 13:00 (CET) via Zoom**. We would be grateful if you could confirm your participation at your earliest convenience and not later than 7 April 2021, by completing the Registration Form available at the following link:
